

Sample StudentTracker Aggregate Report

The Aggregate Report

The aggregate report provides a summary of the first schools attended by the students that you submitted to the Clearinghouse for whom data was available in our database.

The aggregate report title varies according to the query type you submitted. This sample is for an Subsequent Enrollment for Previously Enrolled Students/Transfers Out (SE) query. The other query titles are:

- Subsequent Enrollment for Prospective Students/Denied/Declined Admissions (DA): Initial School of Attendance
- Prior Attendance for Pending Admissions (PA): Prior School of Attendance

Users who submit a Family Member (SB) inquiry will not receive an aggregate report.
